

Dear Friends,

I am about to take on a **wild adventure - golfing 100 holes in one day!** Why? Because it's to help **Beacon of Hope continue ministering to those in need** through counseling.

Beacon of Hope began back in 2001, originally meeting the needs of those who were hungry. We soon realized the clients of the food pantry continued to need help, but more than just food it was emotional, spiritual and relational needs. We established a non-profit, 501c3 ministry in 2002 focused on providing counseling to anyone in need. **Now, 16 years later, we continue to offer help to those in need through counseling at 5 different sites throughout Michigan.** Yes, 5! BoH just opened the fifth site in one of Michigan's most needy counties, Muskegon. Still one **very unique thing** about Beacon of Hope and our counseling remains true, it's **all offered without fees. Clients do not pay for any of our master level, State licensed therapy.** It's through the partnership of businesses, individuals, and others that we meet our financial needs. And, that's why golfing 100 holes is so important, to help support this vital ministry and provide for their financial needs

How can you help? **First, I ask for your prayers.** Pray for my safety and the safety of all the other golfers; pray for the event to be underwritten so that all pledges may go 100% to the ministry of Beacon of Hope; **pray that I may raise my goal of \$1,000;** pray for this event to be a witness to the awesomeness of God and His blessings. **Second, become one of my sponsors.** I am sponsoring myself as well because **I believe in Beacon of Hope** and want this event to be successful. Your sponsorship could be per hole or a flat donation amount. If you pledge per hole you will receive a letter after the event informing you about your pledge total based on the number of holes I golfed. **I would greatly appreciate your sponsorship and support of this golf event for Beacon of Hope. It's important to me.** All gifts and donations are 100% tax deductible according to 501(c)3 regulations.

Thank you for allowing me to share this ministry opportunity with you! Below is a response card, please prayerfully consider how much you could support me in my Golf Event and mail it in today. You can also donate securely online at www.beaconhope.net and **click on the golf event page** (put my name in the comments section). **Again, thank you!**
