

Dear Business Owner:

Beacon of Hope is a non-profit, 501c3 ministry that began back in 2001 providing food to those in need. A year later, it was evident that the clients needed more than just food and as such a counseling ministry began. Now, **22 years later, Beacon of Hope offers counseling to anyone in need without charging the client any fee.** That's right, all of the master-level, state licensed therapy is given to the client without them having to worry about the costs. Beacon of Hope **partners with businesses, individuals, and others to meet the financial needs** in order to provide this counseling, free of fees, to those experiencing brokenness and hurt.

One simple story of brokenness came late fall 2022. A Beacon of Hope staff person was blessed with the opportunity to talk with someone that walked in off the street. This is rare, because all our services are by appointment only, but God's timing is perfect. This divine appointment led to us getting this feedback from what turned out to be a highly suicidal person.

"Thank you for being a light for me. I was super discouraged and down to my last chance when I walked into Beacon of Hope. But it was here, that I was greeted with a kind voice and the reminder that God always comes through; maybe not in the order I want or expect, but He is loving me through this special person at Beacon. So, I want you all to know that YOU ALL are making a difference. I feel related too, like you know me. I appreciate all you have done for me."

Praise God for this incredible outcome! Praise God for the dedication and faithfulness of the Beacon of Hope staff!

Beacon of Hope is currently celebrating 21 years of ministry! During these past 20+ years, **more than 75,000 counseling sessions** have been provided with countless number of lives being impacted eternally. And, the really cool thing is – **not one of these sessions came with a fee to the client** – not one! On a very modest scale that is giving away more than 2.5 million dollars of counseling services! **God is so good, all the time, and His love endures forever!**

I invite you to help. I know that many businesses have faced tough times these past few years, but I'm hopeful that your business is able to still partner with us in support of the **17th Annual Golf Event for Beacon of Hope**. This event is held at Clearbrook Golf Course in Saugatuck on April 25, 2023 where each golfer will attempt to play 100 holes each. The golfers raise funds and **collectively our goal is \$45,000**. It would be awesome if all the golfer pledges could go 100% toward ministering to those in need! In order to do that, **we need your support!** Enclosed is information about our Event Sponsorship.

I know this event is going to be fantastic! **Beacon of Hope is an incredible ministry doing incredible work throughout Michigan in a time when hope is greatly needed.** I look forward to hearing from you and if you have any questions, please reach out to me at 616.566.3294 or kylethompson@beaconhope.net. Thank you & God Bless!
